November 13, 2009

Dear Sir/Madam,

Greetings in the Lord and our Lady!!!

We are in the process of putting up a 53 foot statue of our Lady, Regina Rosarii. She will stand on top of the hill in our property at Regina RICA, Sampaloc, Tanay, Rizal. This place will be a sacred Place for Prayer, and Ecological Sanctuary and a Wellness Environment.

It is our Lady's wish that she stands where she will be seen as a symbol of hope, healing and harmony. We have 10,000 mahogany trees in the 13.5 hectare land that will soon become a teaching farm and a demo for green architectural designs.

We shall have the blessing of the Shrine of our Lady on top of the hill on December 13, 2009. We take this step to invite you to be part of this venture and receive the blessing of prosperity for your family. You will be our mission partner, bringing the gift of healing, harmony and hope to the many people who will come to pray at her feet. Your name and the name of your family will be enshrined perpetually in the Donor's Deck.

Enclosed are the bills of materials for the construction of the 53 foot statue of our Lady and the road leading to the Shrine . You can choose what to give and share for the project and for the other buildings still to be constructed at Regina RICA.

May God bless you and grant your family abundant gifts this Christmas.

Yours very sincerely,

SISTER MARY EPIFANIA BRASIL, OP
Superior General, Project Director of Regina RICA

Oscar I. Violago
President and Chief Executive Officer
San Lorenzo Ruiz Builders & Developers Group, Inc.
25 Cenacle Drive, Sanville Subd.,
Visayas Avenue, Quezon City

Dear Sir Oscar I. Violago,

Greetings in our Lady, Regina Rosarii!

I have read the book of Fr. James Reuter where you manifested special favors through the intercession of our Lady. It is for this reason, that we invite you and your family to be part of the ongoing construction of the 53-foot statue of our Lady, Regina Rosarii, the Queen of the Holy Rosary, on top of the hill at Regina RICA, Sampaloc Tanay Rizal.

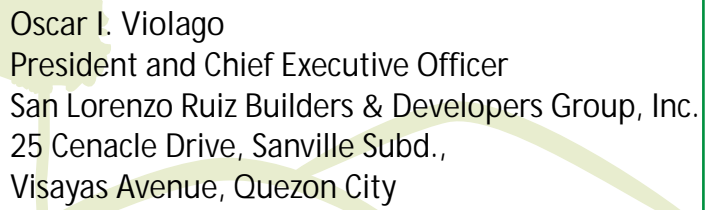

Last night her head was hoisted on top of the 53-foot foundation and structure. It was a very special moment. Our Lady will stand as a sign of hope for the people of Tanay many of whom were greatly devastated by the recent flood. People will come to her and find hope, healing and harmony; she will stand and spread her mantle of protection at Regina RICA, a land dedicated to silence, serenity and stillness.

May we request for an appointment with you at your most convenient time. We invite you too to visit Regina RICA and see for yourself. Our Lady is waiting for you... a new challenge for us, to make a difference in the lives of millions. Through the intercession of our Lady and our friend, San Lorenzo Ruiz, we believe this seemingly impossible undertaking is now taking shape....

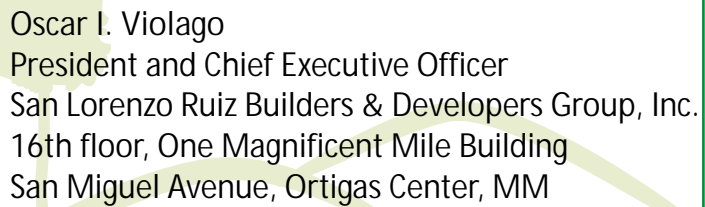

Please join us and be part of the Regina Rosarii Mission Partners. We need you to complete her statue and shrine on top of the hill.

One with you in the eternal NOW,

SISTER MARY EPIFANIA BRASIL, OP
Superior General, Regina RICA Project Director
